## SAP CERTIFICATION TERP 10, BUSINESS PROCESSES IN ERP

*Do you want to be part of state-of-the-art training and earn SAP Certification?*

**WHAT:** **SAP Certification—TERP 10, Integrated Business Processes in ERP.**  
A special two-week SAP Certification Academy will be offered by SAP America & the College of Business Administration, Central Michigan University. SAP-America will provide SAP Certified faculty to teach the SAP Certification training and administer the SAP Certification Exam. For more information please visit:  
<http://www50.sap.com/useducation/curriculum/course.asp?cid=60197385>

**GOALS:** **The SAP Certification Academy will prepare you to:**  
\*Enhance your understanding of integration and system navigation in the SAP R/3 system.  
\*Explain how the fundamental business processes interact with mySAP ERP in the areas of Sales Order Management, Material and Production Planning, Procurement, Inventory Management, Project Management, Plant Maintenance, Human Capital Management, Financial Accounting, and Management Accounting.  
\*Perform the integrated logistics and financial processes in R/3 Enterprise, and the use of analytical components such as Business Warehouse and Strategic Enterprise Management.  
\*Perform the core business R/3 transactions in the functional areas of Sales and Distribution, Production Planning, Procurement, Human Resources, Financials, and Controlling.

**COURSE OVERVIEW:**

*ERP Basics	*Lifecycle Data Management
*ERP SAP NetWeaver	*Program and Project Mgt.
*Business Warehouse	*Enterprise Asset Management
*Sales Order Management	*Human Capital Management
*Material Planning	*Financial Accounting
